

## ILLINOIS ELECTS SEVEN DEMOCRATS 20 REPUBLICANS

### Republicans Put Over State Ticket—Lose Cook County

(By The Associated Press)  
CHICAGO, Nov. 8.—Illinois will send seven Democrats and twenty-seven Republicans to the next congress as a result of yesterday's election a net loss of four seats for the Republicans. Early indications that two other Republicans had been defeated were reversed when later returns saved the seats of E. W. Sprout in the third and E. E. Miller in the twenty-second.

The vote in the twenty-third was close but on the face of returns William Arnold, Democrat, defeated E. B. Brooks, incumbent.

The Republican state ticket went over by big majorities, despite the Democratic victory which swept Cook county.

Oscar Nelson, Republican candidate for state treasurer, set the pace at the head of the ticket with a 162,559 lead over Peter Hartzel, Democrat, on returns from 4,770 out of 5,890 precincts.

The figures gave Nelson 715,866 and Hartzel 553,277.

Similar majorities were polled by the Republican candidates for superintendent of public instruction and university trustees.

The legislature is safely Republican in both houses, with 14 Republicans and 5 Democrats apparently elected to the senate to join the 25 holdover senators all of whom are Republicans. Five districts remain in doubt. The makeup of the lower house will be approximately 91 Republicans and 62 Democrats.

Foes of Governor Small have failed to capture the necessary two-thirds of the senate required to carry out their threat of impeaching the governor next January.

**Policy Questions Carry.**

Beer and wine and the soldier's bonus, both of which carried by tremendous majorities failed to keep up in the country districts the pace they had set in the cities.

Returns from 3,922 out of 5,890 precincts gave the Democratic referendum a lead of 549,855 with indications that it will carry by approximately three-quarters of a million votes. The figures are 850,837 in favor and 300,982 against it.

The beer and light wine referendum ran 468,317 ahead in 3,860 precincts the figures giving 745,265 for it and 276,948 against. The fact that 1,151,819 voters voted on the bonus and only 1,022,213 on the liquor question on the same ballot would indicate that 129,606 followed the advice of the anti-saloon league and ignored the prohibition issue.

Richard Yates, Republican candidate for congressman at large, is running 186,913 ahead of the nearest Democratic opponent, while his running mate, Henry R. Rathbone, who also was elected, is 21,132 behind Yates. Yates, in 4,043 precincts polled 664,815 votes, to 643,683 for Rathbone. Limon J. Gorman obtained 485,151 votes and William Murphy, 477,902.

Mrs. Winnifred Mason Huck will take the seat of her father, the late William E. Mason, as congressman at large during the coming winter session.

Mrs. Huck will be Illinois' first woman in congress.

"Uncle Joe" Cannon's seat from the eighteenth district remains in the Republican ranks as a result of William P. Holaday's victory.

One woman will sit in the legislature. She is Lottie Holman of "Ned's" of Downers Grove, elected to the lower house from the forty first district.

Mrs. Mary E. Busey of Urbana, who was elected University Trustee brought the total of women voters on the state ticket to three.

Neither the Farmer-Labor party nor the Socialists landed on the state ticket, although both had practically complete lists in the field.

The Republicans of Cook county apparently saved three offices from the Democratic landslide which buried the candidates endorsed by Mayor Thompson. Besides sheriff R. Seem certain that the Republicans have elected the clerk of the criminal court and a member of the board of review.

**CASE IS TAKEN "UNDER CONSIDERATION"**

(By The Associated Press)  
CHICAGO, Nov. 8.—With arguments for and against dissolution of the temporary restraining order against the federated shop craft concluded today, Federal Judge Wilkerson took the motion to dismiss under consideration. No indication as to when a decision would be announced was forthcoming from the court. Meanwhile, another phase of the case will be attacked by Donald R. Richberg, attorney for the shop crafts who will appear in court tomorrow and oppose the government's motion that the case be dissolved.

## Boy Held

Elmer Washburn 14, is in the Montrose (Pa.) jail charged with the murder of 75-year-old Cyrus Payne, a reclusive. Police say that the boy has confessed to beating the old man to death with the butt of a rifle and then robbing him of hoarded money.

## MAN WITHOUT PARTY WAY WILSON REFERS TO SENATOR REED

### Former President Says He Will Be Repudiated in Senate

(By The Associated Press)  
ST. LOUIS, Mo., Nov. 8.—Senator James A. Reed, who was re-elected for his third time in the senate in a Democratic victory in Missouri yesterday after having been repudiated by his party two years ago is "a man without a party," according to a letter from former President Woodrow Wilson, made public today.

The letter, dated October 27, ten days before the election was addressed to former Governor Lon V. Stephens and stated that if Reed should be elected he would be in the senate "repudiated by Democrats and elected above their own man by Republican votes."

The letter was not made public during the campaign and served as a reply to one to the former president by Governor Stephens. It was pointed out by Governor Stephens in his letter to the former president that the "result of the primary showed clearly that a large majority of Democrats of Missouri are with you, endorse your policies and favor the league of nations."

It was written with the thought of informing President Wilson of the outcome of the primary:

My Dear Governor Stephens: "I am sincerely obliged to you for your letter of October 21. I know how entirely competent you are to assess the true situation in Missouri and I value accordingly the carefully considered information conveyed in your letter."

"I do not think that I ought to attempt any advice as to the election. I am too far away from what I may call the interior conditions of the situation. I feel, however, that leaders like yourself can be confidently counted upon to guide the loyal Democrats of Missouri to the right course of action."

"If Reed is returned to the senate he will, of course be there a man without a party; repudiated by Democrats and elected above their own man by Republican votes."

"I should think that the usual organization of the senate would be rendered quite impossible."

"With cordial greetings to all true Democrats, who like yourself, uphold the real interests and best ideals of the party and of mankind, and with sincere personal regard, faithfully yours,"

"WOODROW WILSON."

**MISS MAC SWINEY CONTINUES FAST**

(By The Associated Press)  
DUBLIN, Nov. 8.—Mary MacSwiney, who was arrested by the Free State Militia last Saturday and immediately went on a hunger strike continued today to refuse food. She shows no sign of flinching from her determination to keep up the fight.

Miss MacSwiney's four companions who were arrested with her including Madame O'Rahilly, formerly Miss Brown of New York and widow of "The" O'Rahilly also are hunger striking.

Another hunger meeting described the incarceration of the women and a procession to Mount Joy prison were held tonight.

**ELECTION RETURNS FROM ALASKA**

Juneau, Alaska, Nov. 8.—Partial reports from the first and third division in yesterday's general election in Alaska for delegates to congress: Dan Sutherland, Republican 1,990 votes for re-election compared with 911 for T. E. J. "Stroller" White, Democrat. Indications pointed to at least three Democrats elected to the territorial legislature.

## GREAT BRITAIN REFUSES TO BUY PEACE OF TURKS

### Secretary of Foreign Affairs Declares in Address

(By The Associated Press)  
LONDON, Nov. 8.—Great Britain refuses to purchase peace with the Turks at the cost of "humiliation and disgrace," Marquis Curzon, British secretary for foreign affairs declared today in an address.

The attitude of the Kemalists reflected in their recent demand that allied troops leave Constantinople will not be tolerated, he added, and he gave full warning to the nationalists that they will come to sure disaster if they venture to oppose their military power to the strength of Great Britain and the might of Europe.

"The gravity of the situation in the near east was emphasized by Lord Curzon when he termed it the 'most definite menace to the peace of the world.'"

Replying to what he described as gibes made at himself by David Lloyd George and Winston Churchill, he declared that Mr. Lloyd George did much to win the war and that his record would be inscribed in lasting letters on the pages of history but that some of his actions as prime minister had not been helpful to Curzon's department.

**SALINGER GETS WRIT OF HABEAS IN FRAUD CASE**

(By The Associated Press)  
NEW YORK, Nov. 8.—Held in \$10,000 bail pending his removal to South Dakota to answer a charge of using the mails to defraud investors in Midland Packing company stock, Benjamin I. Salinger, Jr., today obtained a writ of habeas returnable tomorrow before Federal Judge MacC.

Salinger, appearing before United States Commissioner Hitchcock denied the charge of being a fugitive from justice on which he was held, setting up the contention that the indictment on which his removal was sought was invalid because it was returned by a grand jury in the western district of South Dakota while the alleged offense, if any, occurred was in the southern division.

Congressman Hitchcock overruled the objection and ordered his removal. The prisoner was paroled in custody of his counsel until he could raise bail.

**POLITICS BAD FOR WOMEN**

(By The Associated Press)  
MUSKOGEE, Okla., Nov. 8.—"Politics is a good thing for a woman to keep out of."

This was the declaration today of Miss Alice Robertson, the only woman member of congress, when she conceded her defeat in yesterday's election by W. W. Hastings, a Democrat whom she unseated in 1920.

While figures pointed into her headquarters showing the overwhelming vote which relegated her to private life, Miss Alice chatted amiably with her associates. There was no malice indicated by her against the persons—many of them friends—who voted against her.

"I expect no apologies from persons who voted for Hastings," she said. "But the election was not clean. One man in Cherokee county was found with 20 ballots which he voted against me. There was cheating in many parts of the district."

"I went to congress determined to be guided entirely by my conscience and I have faithfully performed my duty. This election plainly shows that the voters are interested more in their party."

**MICHIGAN ELECTS DEMOCRATIC SENATOR**

(By The Associated Press)  
BIG RAPIDS, Mich., Nov. 8.—Woodbridge N. Ferris, former Governor and the first Democrat to be elected to the senate from Michigan in 70 years, today described his victory of the polls over Senator Charles E. Townsend, Republican, as a "victory for political righteousness."

Mr. Ferris who assailed Senator Townsend during the political campaign said the election "drives the moral issue in politics when pushed to a finish, is listened to an acted upon."

**DEMOCRATS WIN IN COLORADO**

Denver, Colo., Nov. 8.—William E. Sweet, Democrat, was elected governor of Colorado at yesterday's election on the face of returns tonight.

The reports represented the complete returns from nearly half the counties in the state and nearly complete returns from a large number of others. The figures: Davis, 221,707. Morgan, 208,933.

## RECORD IS BROKEN BY M. E. CHURCH FOR BENEVOLENT WORK

### Collection of \$2,820,529.97 is Made and Deposited Yesterday

(By The Associated Press)  
CHICAGO, Nov. 8.—The largest day's income for benevolent purposes collected in any one day in the history of the Methodist Episcopal church and possibly of any denomination in the world was \$2,820,529.97 which was collected and deposited in Chicago banks on October 31. Dr. Morris W. Ehnes, treasurer of the committee on conversation and advancement of the church reported today at the meeting of the administrative committee here.

Bishop Nicholson of Chicago presided at the meeting which was attended by Bishops Henderson of Detroit and McConnell of Pittsburgh and lay and clergy members of the committee from every section of the country.

Dr. Ehnes in his annual report said the total receipts for church benevolences for the year ending October 31 were \$13,999,299.21 and the total receipts for the month of October were \$4,225,141.36.

## SITUATION OBSCURE IN CONSTANTINOPLE

(By The Associated Press)  
LONDON, Nov. 8.—The situation in Constantinople has become obscure because of the virtual suspension of communication between the Turkish capital and London. Very little news has filtered thru since Tuesday night and the telegraph lines are in interrupted owing to its reported to a breaking down in Thrace.

The latest word from Constantinople was that the Ankara government had reiterated its demand to the allies to evacuate the city. This if true, makes worthless the understanding which Rafet Pasha, the new governor is said to have given the allies generals on Tuesday that he would cancel measures which the allies regarded as undesirable.

## PINCHOT'S MAJORITY IS STILL CLIMBING

(By The Associated Press)  
PHILADELPHIA, Nov. 8.—The plurality of Gifford Pinchot, governor-elect of Pennsylvania, continued to mount as additional returns were received from remote sections of the state. Early tonight he had a lead of 257,044 over John A. MacSparran, his Democratic rival. Figures received from 6,300 of the 8,021 districts in the state gave Mr. Pinchot, 744,529 and Mr. MacSparran 487,485.

The returns show that the Democratic candidate carried 27 out of 67 counties.

## OFFICIALS SAY NEGLIGENCE CAUSE

(By The Associated Press)  
SPANGLER, Pa., Nov. 8.—Negligence was responsible for the gas explosion in the Reilly coal mine, Monday morning, according to a statement given out tonight by Chief Mine Inspector Patton of Harrisburg.

"We expect to determine tomorrow just who was guilty of negligence," said the inspector.

## INFORMATION IS FILED BY ARMOUR WITH COMMISSION

### Gives Data Which He Refused to Give When He Appeared Recently

(By The Associated Press)  
WASHINGTON, Nov. 8.—J. Ogden Armour, Chicago meat packer who refused at public hearings in Chicago recently to give the federal trade commission figures as to the amount of his private business in the grain markets during the past year has now filed detailed information with that body it was announced here tonight but the accounts will not be made public.

Acting on a senate resolution the commission began last summer an inquiry into the future market fluctuations on the Chicago board of trade during the preceding spring and winter at which Jesse L. Livermore, J. Leonard Replogle and others were questioned.

The commission, it was said, would incorporate its conclusions as to the price movement in a report which will be filed later with congress.

## VON KNILLING IS ELECTED PREMIER

(By The Associated Press)  
MUNICH, Bavaria, Nov. 8.—Dr. Eugene Von Knilling of the German people's party, has been elected premier of Bavaria by the diet.

Count Hugo Lerchenfeld, the Bavarian prime minister tendered his resignation to the president of the diet on Nov. 4. Advice from Berlin previously had announced the imminence of the resignation owing to the government's difficulties with the Agrarian party growing out of Lerchenfeld's economic proposals to the control government in Berlin. The people's party was declared to be opposed to Lerchenfeld's policy in this respect.

Advice from Munich later on said the members of the right who were criticizing the Lerchenfeld government as being too weak and submissive, were casting about to find a leader who would stand on an anti-Berlin platform. It was added that the coalition parties in the government were reported to have agreed on Dr. VonKnilling who was Bavarian minister of education under the monarchy.

## MAKES REPORT ON GRAIN RATES

(By The Associated Press)  
WASHINGTON, Nov. 8.—Rates on grain from the northern Minnesota producing points in Minneapolis and Duluth should be increasing if the rate structure within that state is not to be considered a discrimination against Milwaukee, according to a report to the interstate commerce commission by Examiner E. L. Gaddis. The report if sustained by the commission will require a revision of the rates concerned in Minnesota. The case was brought by the Milwaukee chamber of commerce and was assigned to the examiner for preliminary investigation.

Los Angeles, Nov. 8.—The defense rested its case today in the trial of Mrs. Clara Phillips for the murder of Mrs. Alberta Meadows, young widow, following the testimony of alienists that the defendant was insane at the time of the slaying.

## DIFFICULTY IS ANTICIPATED IN SECURING JURY

### Attorneys in Herrin Trial Believe it Will Take Many Weeks

(By The Associated Press)  
MARION, Ill., Nov. 8.—Extreme difficulty in selecting a jury to try the men indicted in connection with the Herrin mine killings last June was forecasted today when many of the 130 veniremen from whom the jurors will be chosen or offered excuses for release.

Attorneys on both sides believe the selection of the jury will require probably two or three weeks.

Indictments against 41 of the 46 charged with having killed Howard Hoffman, an employee of the Southern Illinois Coal company around the mine of which the killings occurred were nolle prossed by State's Attorney Duty today, when the cases were brought to trial. Objection to dropping the indictments was offered by A. W. Kerr, chief counsel for the defense who insisted that a jury be selected and be instructed to return a verdict of "not guilty" against these 46. The objection was overruled.

Following the dismissal of the indictment Attorney Kerr demanded the right to interrogate the attorneys for the state as to the source of the money used to pay the state's special attorneys engaged in this legal contest, but his motion was denied.

Deny Motion for Continuance.

Another motion by the defense to have the trial continued to next term of court also was overruled on the ground that the agreement had been made by both sides to be ready for the present term.

The final move made by the defense to forestall trial of the defendants was a motion asking that the indictments be quashed on the ground that the grand jury by which the indictments had been returned had been summoned illegally in that members were selected by sheriff's deputies instead of the sheriff, personally; that 26 men had been summoned as prospective grand jurors instead of 23, and that the grand jury had been influenced during its investigation by statements printed in newspapers.

Judge Hartwell reserved decision on this section. The five men to stand trial for Hoffman's death are:

Otis Clark, the first man arrested during the grand jury investigation; Burt Grace, Peter Hiller, Joseph Carnage and Levin Mann, all of whom have been held in jail here without bond, excepting Carnage. All but two, namely, Hiller and Mann, are coal miners.

To expedite the trial Judge Hartwell has ordered all visits to the prisoners stopped.

## FIRST WOMAN TO SIT IN LEGISLATURE

(By The Associated Press)  
JOLIET, Ill., Nov. 8.—Mrs. Lottie Holman O'Neill of Downers Grove will be the first woman to sit in the house of representatives at Springfield as a member of the general assembly. Polling a vote of 23,354 votes the first assembly district composed of Will and DuPage counties, Mrs. O'Neill yesterday led the four candidates in the race for three seats in the assembly.

John L. Walker of Joliet was re-elected a member from this district. The race of William McCabs, Republican of Lockport and Michael Henneberry, Democrat of Wilmington, whose complete official returns were compiled was so close that Henneberry had a meager plurality of 97 votes. An official canvass has been started.

## TRAFFIC ASSUMES HUGE PROPORTIONS

(By The Associated Press)  
WASHINGTON, Nov. 8.—Volume of traffic on the country's railroads against assumed record-breaking proportions with the end of October, the American Railway association, reporting today that the total number of cars loaded with revenue freight by American roads in the week ending October 26 was 1,013,000 cars. On only one week in railroad history during October in 1920 has more freight been carried and the loadings this year resulted after successive weeks of heavy freight business.

## OFFICERS GUARD BALLOTS IN CHICAGO

Chicago, Nov. 8.—Ballots cast in yesterday's election were placed under a guard of federal deputies at the city hall tonight at the request of Democratic leaders who declared they feared an attempt might be made to tamper with the boxes.

The federal government was appealed to on the ground that the congressional elections were involved.

## Out of a Job

When Turk Nationalists deposed the sultan another member of royalty was added to the large list of regal job hunters. This picture of the former crown prince of Turkey, Abd ul-Medjid, was taken at his residence in Scutari.

## MYSTERY OF TWO AUTOMOBILES IS REPORTED SOLVED

### Cleared up in Preparation to Place Case Before Grand Jury

(By The Associated Press)  
NEW BRUNSWICK, N. J., Nov. 8.—The mysteries in the presence of the two automobiles, one an old fashioned high back model the other a small roadster, in Dr. Russell's Lane near the Phillips farm on the night when the Rev. E. W. Hall and Mrs. Eleanor Mills were murdered, has been cleared up in the preparations to place the entire case before the grand jury authorities said tonight.

The lifting of the veil which has shrouded this angling case it was said by special Detective Mason finds the story told as an eye witness by Mrs. Jane Gibson, farmer woman, unchanged.

Her statement that she saw two men and two women in noisy argument under the apple tree where the bodies of the rector and the choir singer later were found and saw a man fire several shots, still stands, the authorities assert.

More it is said that her account is materially strengthened in several aspects by the bringing to light of new evidence contributed to the case by two men who were near the lane on the night of the murder. Mrs. Gibson in support of her claim that she could identify the characters in the drama which she claimed she chanced upon while riding about the country in search of thieves who looted her garden had said that in turning about in the narrow lane the headlights of one of the automobiles accidentally flashed upon a powerfully built man with a bushy mustache and a woman in a gray coat.

Authorities declined to make public the identity of the new witnesses or divulge other details which they said led to clearing up the mystery of the automobiles. Detectives expressed doubt that this angle of the case were even be revealed to the grand jury as the force of introducing it as brand new evidence at the trial which may result from the work of the inquisitorial body is considered of the highest importance.

Three indictments it is said against a woman and two men may be asked. The jury probably begin its inquiry Monday.

## RAILWAY MAIL CLERKS SENTENCED

(By The Associated Press)  
COUNCIL BLUFFS, Iowa, Nov. 8.—Eleven of the 34 railway mail clerks who pleaded guilty to larceny from the mails in connection with alleged wholesale thefts from the Union Pacific mail terminal were today sentenced by Federal Judge M. J. Wade to varying terms in both federal and state penal institutions. Twenty two others were placed on probation until the next term of court when they must submit to the court a written report from two disinterested persons as to their conduct in the interim.

**DEFEATED CANDIDATE ISSUES STATEMENT**

Cleveland, O., Nov. 8.—Mrs. Virginia Darlington Green of Cleveland, defeated Independent candidate for the senate from Ohio declared in a statement here tonight that "had I had the campaign fund of Mr. Ross and Mr. Pomeroy I could have beaten both of them."

## LEADERS FALL AS DEMOCRATIC WAVE SWEEPS COUNTRY

### Country Watches with Interest Fights for Congress

(By The Associated Press)  
WASHINGTON, Nov. 8.—The country today watched with interest the nip and tuck race for control of the house of representatives, the closest since the war days of 1916. It saw most of the Republican leaders stand up against the onslaught; it saw scores of men brought in by the Republican wave two years ago so out with the Democratic undertow.

Volstead, author of the prohibition enforcement law was the only Republican committee chairman to go down but he felt before a minister candidate self proclaimed "drier than himself."

This fact was often overlooked by those who professed to see in the defeat of Volstead a punishment for the dry law.

While they had been expected to take a big hand in the election the women of the country were unable to elect one of their number in the Helmer-Skelter race for seats. There will be no women in the congress. Alice Robertson of Oklahoma will go out then, with Winnifred Mason Huck of Illinois elected yesterday to succeed her father, the late William E. Mason, whose term expires next March.

**Mondell Goes Down.**

Mondell for the last four years the Republican leader in the house aspiring for the seat from Wyoming went down in a vain race for the senate and a new leader will rise in his place.

Speaker Gillett and Mann and Madden—all the big committee chairmen in fact, save Volstead held their seats.

Every Republican leader in the house has often declared during the past two years that the majority—around 170 at the start—was too big but none expected to see it cut so low and none seemed to fear that it would be cut below 40. But starting in the east the Democratic wave began picking up seats, gathered 23 in New York and then raced down the Atlantic coast, cutting across into Virginia; then turned to the southeast and doubling back into Pennsylvania sent over into the middle west country and toward the far west in the hope of finding enough upturns to keep ahead of the Republican column coming along behind.

It was nearly noon today before the Republicans racing for hours behind early Democratic victors, got abreast of the enemy. Then for some hours the two parties saw-sawed and the Republicans finally pulled to the front. Only the vast majority of two years ago saved them. The drift away from the administration was greater than they would have believed ten days ago.

**KANSAS GOVERNOR MODERN CINCINNATUS**

(By The Associated Press)  
BIRONSBO, Kan., Nov. 8.—Johnathan Davis, who campaigned as a "dirt" farmer, and who, on the face of unofficial returns was elected governor yesterday, spent the day at his farm residence near here. While the entire state was eagerly watching the Democratic candidate for governor nose out W. Y. Morgan, rest of the Republican state ticket led by a good majority the Democratic governor-elect was busily engaged shucking corn.

The farmer-governor-elect asserted he had been so busy campaigning during the last few months that his farm work had fallen far behind and now that the campaign was over he would have to make up for lost time.

Friends of Mr. Davis have compared his election to the calling of Cincinnati from his plow except that they point out this is not the season for plowing and the governor elect uses a tractor.

## A THOUGHT

For the hope that is laid up for you in heaven, whereof ye have heard before in the word of the truth of the gospel.—Colossians 1:5.

In this world it is not what we take up, but what we give up, that makes us rich.—Henry Ward Beecher.

If any further proof were needed of the independence of voters today in local elections, it was furnished Tuesday. The number of straight party tickets was remarkably small. In one precinct where more than 450 votes were cast, the number of straight ballots was 71. The percentage was not quite so high in some other precincts, but a straight ballot was a comparatively rare thing. People in city and county elections nowadays vote largely in accordance with their judgment or their prejudices as the case may be, but without strict regard to party alignment.

While the returns are far from complete on the liquor question in Illinois, the indications are that the majority vote favors the revision of the Volstead act to permit the sale of light wines and beer. This is merely a straw vote, but will be very likely to have the effect of presenting further difficulties for prohibition enforcement.

The Anti-Saloon league will say that the result is due to the fact that supporters of the league were agreed not to vote upon the question. Be that as it may, the figures will go out to the country as indicative of the feeling in Illinois. The league officials did a fine job. The league officials did a fine job. The league officials did a fine job.

It is difficult to explain why Supt. McBride chose to urge league members not to vote. By this stand he gained the reputation of dodging the issue and made it appear that the league was afraid of the question.

## FALSE ACCUSERS

Mr. McAdoo has added his voice to those other Democrats who are declaring falsely that the Republican administration has done nothing to reduce the tax burden. "The new internal revenue bill," says he, "gave no relief to income taxpayers except to loss than 1,000 persons, and those persons enjoy the largest incomes in America." That statement, of course, is entirely false. It ought to have wide publicity, because in recognizing its impudent falseness, the public will know how much credence to place in other Democratic campaign declarations.

Every head of a family in the United States knows whether the Republicans reduced taxes or not. When he made out his income tax return last winter he found that he had been granted an increased exemption from \$2,000 to \$2,500 and that his exemption on account of each minor child or dependent had been doubled, from \$300 to \$400 each. In many thousands of cases those Republican exemptions wiped out entirely the Federal tax that heads of families had paid in the past. Mr. McAdoo knows nothing from experience of those things, because his income from the movies and other sources is so big as not to be affected by them, but they are of vital importance to the rank and file of our people.

## THE COUNTY ELECTION

Probably no off year election in Morgan county ever held greater interest for the public than that of Tuesday. The vote was almost equal in size to that of a presidential year, and there was no lack of interest in any of the 43 precincts of the county.

The campaign preceding the election was unusually quiet, although the election affairs warmed up rapidly as the date approached. The results afforded proof of the active work done by the various candidates. While little was being said in the preceding months, it was realized that a number of the candidates were doing effective work in a personal way.

Those who followed the campaign closely knew that the candidates varied greatly in their methods, for there is no hard and fast rule for campaigning and it remains for each candidate to work out his own salvation.

Judge Samuel led among the successful candidates, with a majority of about 1700. County Clerk Riggs came next, with majority figures between 1000 and 1100. Both of these officials will thus begin second terms, the public having given the stamp of approval to the work already done.

From a Republican standpoint at least, the race for sheriff brought surprises, with the election of Oyer T. Wright who won over his opponent, Charles Black, by more than 400 majority. Mr. Wright is now serving as deputy

## BERTON BRALEY'S DAILY POEM

## Top-Heavy Odds

By Berton Braley

Said old Jim Budd, the gambler: "I've often staked my wad, And watched the wheel come even, when I have backed the odd;

I've played the racin' ponies, I've plunged a heap at stud, There wasn't any game of chance that frightened Jimmy Budd.

I like the thrill of gamblin', it's breath of life to me, I'll take a shot at anything an' bet my money free, I'll shove my stack across the board if there's a chance to win, But I won't gamble on this stuff they're sellin' now as gin!

"I've backed the faro outfits, I've rolled the bones as well; I've won and lost more heaps of rick than I would care to tell;

I've took my losses smilin', the way a guy should do, At any game I've ever seen that's either odd or new.

My limit was the bright blue sky, an' people used to say, I never moved an eyelash when my pile was swept away, I had my bouts with Barleycorn before the land went dry, But I don't take no chances now on Prohibition Rye!

"NEVER was no piker, I ain't no piker now, But every guy has limits, an' this is mine, I vow; I will not bet my years of life against a little drink, An' any tone I get the stuff I pour it down the sink. An' though I've seen most everything, I somehow ain't inclined

To relish going to a home for people who are blind, Name any game you wanta play, you'll find I won't refuse, But I won't bet my two good eyes against a shot of booze!"

sheriff and is so familiar with some phases of the duties of the responsible office to which he has been elected. He spent the greater part of his life in Waverly and Franklin precincts and the very heavy vote given him there was indicative of his standing with the home friends.

Mr. Black had a number of adverse conditions to meet and failed to carry a number of precincts where earlier in the campaign he had seemed certain of majorities. However, Mr. Black is schooled enough in business and public affairs to take his defeat philosophically.

H. H. Vasconcellos, Democratic candidate for superintendent of schools, was returned to office but found J. Chester Colton a rival candidate of sufficient strength to make the contest interesting and spirited. Mr. Vasconcellos' majority is something more than 500. He has conducted the affairs of his office continuously in a way to win good will and Mr. Colton recognized in entering the race that he had a very formidable opponent.

G. A. Dunlap, Republican candidate for county commissioner, also has a large majority, something more than 800. He had a worthy rival in W. W. Cleary, but with effective work in his canvass was able to roll up a good majority.

The indications are that Harry Norris, Republican, will be the next assessor and treasurer, but his lead over W. H. Weatherford, Democrat, is very small. The contest between these two came very near to the general re-election estimates. It was repeatedly stated that a close contest between Norris and Weatherford was certain.

One fine thing about spirited county elections is that for the most part within a few weeks' time differences are forgotten and disappear. With the corps of

officers—chosen Tuesday there is no reason why the affairs of Morgan county cannot be well administered during the next four years.

## PASTEURIZED MILK VALUE IS DISCUSSED

Dr. R. V. Brokaw Made Interesting Talk Wednesday Night Before Morgan County Dairymen's Association.

Dr. R. V. Brokaw, county health officer, made a forceful address before a largely attended meeting of the Morgan County Dairymen's association at the farm bureau offices last night. Dr. Brokaw had as his subject, "Why Should Milk Be Pasteurized?" and told his auditors many interesting facts about pasteurization of milk and its beneficial results.

E. E. McPhail, the president of the association presided and the meeting was attended by a large number of the members.

Dr. Brokaw called attention to the "three R's" of the public health officer—safe water supply, adequate sewerage system and milk pasteurization. These three features of public health administration have a very definite relation to the incidents of a communicable disease in a community.

According to the statement of Dr. Brokaw, among the various epidemics recorded, over 530 of them have been milk borne, including epidemics of diphtheria, scarlet fever, septic sore throat, typhoid fever and the dysenteries. A great amount of tuberculosis in children is due also to infection of the milk supply. Tuberculin testing of cattle protects only against infection by tuberculosis. At various points from the cow to the consumer the milk supply may be accidentally contaminated by typhoid or scarlet fever or diphtheria.

From the standpoint of insurance against disease, so far as the milk supply is concerned, the only safe milk is pasteurized milk. There is a good deal of clean, wholesome milk produced, but without pasteurization there is always the possibility of its becoming contaminated before it reaches the consumer, in spite of considerable precautions.

Pasteurized milk is milk that is heated to 142 degrees Fahrenheit and held at that temperature for thirty minutes and then rapidly cooled. This process destroys all of the disease producing germs which milk may contain. It also slightly alters the flavor but by no means impairs the food value.

## FUNERALS

## Tinsley

The death of Walter H. Tinsley of 323 North Clay avenue, occurred Wednesday at a local hospital, where he had been a patient for some time.

The deceased was born in Kentucky on March 20, 1854, and had spent the greater part of his life in this state. He was a son of the late Mr. and Mrs. Harrison Tinsley. Surviving are two sisters, Mrs. Ned Seymour of this city and Mrs. Jennie Waters of Hull, Ill.

The remains are to be taken to Hull over the Wabash tomorrow morning and the funeral services will be held there at 10 o'clock with burial in the Hull cemetery.

## DAMAGE SUIT HEARD IN JUSTICE COURT

The case of R. S. McKinney vs. the American Express Co. was heard Wednesday in Justice C. O. Bayha's court. Mr. McKinney is suing the company for \$25 for damages claimed because of the death of a calf which he alleged was choked to death during shipment because it was tied too high in the car.

Mr. McKinney, who resides in the Chapin community, had no attorney in the case. He made his opening statement, questioned his witnesses and cross examined those of the defense. Paul D. Moriarty appeared on behalf of the company. The case was continued until November 18.

Harry Doolin from south of the city was in the city Wednesday.

Mrs. T. J. Manderville was a shopper from south of the city.

## OLD JACKSONVILLE

ONE OF OUR SWEET SINGERS

(BY ENSLEY MOORE)  
Member Illinois State Historical Society

A little time ago, a notice appeared of one of Jacksonville's finest singers having joined "The Heavenly Chorus."

The notice was fitting and appropriate as to the lady's general history, but comparatively little was said of her relation, by song, to the general public.

Kate Barr Smith was one of the intimates, along with her sister Laura Allen Smith, both being daughters of Mr. David A. Smith, when the writer came to Jacksonville to live "long, long ago."

Miss Smith was attractive in appearance and active in those days of early youth, and maintained her strength and vigor of mind and character to the last, about a month ago.

Singing Was a Feature of the Smith family as shown by Miss Effie Wyeth, Miss Kate and Miss S. Emma Smith; and the father and Thomas W. David B., and Hugh B., who participated in the pleasing capability inbred to the ladies.

As mere children the three sang, in Sabbath school and Sabbath entertainments, Misses Effie and Kate becoming noted as they grew older, and Miss Emma joining early in the celestial songs.

Miss Effie W. Smith married Hon. John M. Lansden, of Cairo, Ill., in 1867, after having been graduated from the Female Academy, and having taught vocalism. She sang long and well, and gratuitously in the choir of Westminster church. She took special part in the patriotic song work during the Civil War, and after it.

Miss Kate B. Smith was graduated from the Young Ladies Athenaeum, in the class of 1869, with her cousin Miss Louisa W. Ayers; afterwards Mrs. Edward L. McDonald, and Misses Martha Joy, Priscilla McCarty, Maria Thorton, and Clara Kins— the latter from Jerseyville and Quincy.

All thru her higher school days Miss Smith was a leading voice in the musical department of that fine institution; and after being graduated, she took a leading part in patriotic and other lines of public help or entertainment.

## FORTY NINE BOYS AT HI Y MEETING

Was Held at Brooklyn Church Last Night—Members of High School Faculty Present.

Forty-nine high school boys attended the regular meeting of the Hi Y club at Brooklyn M. E. church last evening. The ladies of the church under the direction of Mrs. John Kastrup served a supper to the boys after which the regular business and study session was taken up.

Three members of the high school faculty, Mr. Aggar, Mr. Fletcher and Mr. Barnes were present at this meeting as guests of the club. President Cranwell called on each for a short talk. President Cranwell also urged greater activity among the members in the work of selling Athletic Association tickets prior to Saturday's game at Springfield. The boys that have promised to post stickers for the Red Cross campaign were directed to meet at the Y. M. C. A. office this noon or after school this afternoon and get their stickers.

Sec. J. S. Findley then took up the lesson work on Alcoholic Drinks and Tobacco, and assigned 8 topics for the meeting next Tuesday evening at Brooklyn church.

The meeting last night was the second of the series of four scheduled for Brooklyn church.

## SINCLAIR MAN RUN OVER BY HEAVY LOAD

Morris Jumper Falls Under Wheel of Double Team Coal Wagon When Horses Start Suddenly.

Morris Jumper of Sinclair was run over Tuesday afternoon by the rear wheel of his wagon when the double team whose reins he held in his hands started as he was mounting the wagon from the front hub. The accident took place at Pleasant Plains, where Jumper had loaded his wagon with 65 bushels of coal. The wheel passed over his left shoulder and arm.

He was brought to Passavant hospital, where an x-ray examination by Dr. H. A. Chapin showed a dislocation and fracture of the shoulder. Dr. W. H. Weirich was in charge of the case, and set the bone.

## NEWSBOY TO GOVERNOR

By EDWARD THIERRY  
NEA Service Staff Writer

NEW YORK, Nov. 8.—"Al" Smith's election as governor of New York—beating the man who beat him at the end of his first term two years ago—was a personal triumph as well as a party victory.

America's favorite political tradition, that statesmen must rise from humble walks of life, runs true to form in Smith's case. He was once a newsboy, and the phrase "from newsboy to governor" didn't do him any harm in the campaign.

Smith is "Al" to everyone. Not one voter in ten knew—or cared—that his full name is Alfred Emanuel Smith. He has the widest and readiest and cheeriest smile of any man in public life. He has been wearing that smile for a quarter of a century, and it helped him be elected assemblyman, sheriff, president of the Board of Aldermen, and finally governor in 1918.

### One of the Masses

How popular Smith is personally may be guessed by the fact that he ran far ahead of the Democratic presidential nominee in 1920. He was only narrowly beaten in the Republican landslide by 74,000 votes, while Cox lost the state by more than 1,000,000 votes.

Tammany Hall discovered Smith on New York's congested East Side. He was born there 49 years ago and it has been a pretty big political asset for him that he still lives in the house where he was born. He is proud of being one of the masses. Ex-Governor Martin H. Glynn, presiding at a farewell banquet at the end of Smith's first term as governor, called Smith "a graduate from the University of Nature."

Here's the way Smith looks at his job:

"Let me tell you there is nothing in the business of being governor unless you are prepared to forget yourself and the fact that you live in a mansion and remember the other fellow who isn't governor and who doesn't live in a mansion."

"What little aid or comfort I have been able to give the man, woman or child whom nobody hears about and nobody seems to care about will give me more satisfaction in years to come than all the glory I can get out of being governor. A man to make good in this office must be a human being above all."

### Human All the Time

Smith works hard at the job of being human all the time. When he makes a speech the audience acts as if they were there because they wanted to be not because it was a political duty.

Being popular isn't Smith's only stock in trade. Not only can he win popular support for a political or reform quicker than probably any other man in public life, but he is efficient in the bargain. He possesses a profound knowledge of state government.

The campaign's chief issue was one of efficiency. Smith's claim was that he ran the state for \$44,000,000 less during his 1919-1920 term than Governor Miller did during 1921 and 1922.

Smith's pet project during his first term was to obtain an efficient, economical and scientific administration. He tried to put over the reform of reorganizing the state government, and after getting it partly over, the plan was thrown in the discard.

Now he promises to finish the job he started out to do—to simplify the government by reducing its 180 odd agencies to 18 compact departments.

"An amendment to the constitution," he says, "would provide for a scientific executive budget, something that the Republican party thought good in the nation but were unwilling to give to the state."

### A Proud Father

Smith was educated in the parochial schools and Manhattan College and Fordham University.

### ON PUBLIC PAYROLL TWENTY-FIVE YEARS

Here is the public record of Alfred E. Smith, newly elected governor of New York after two years off the public payroll for the first time since 1895:

1895—1903 Clerk in office of New York City Commissioner of Jurors.

1903—1915 Member of New York State Assembly.

1911—1913 Democratic leader in Assembly.

1913—1915 Speaker of the Assembly.

1915—1917 Sheriff of New York county.

1917—1919 President of New York City Board of Aldermen.

1919—1921 Governor of New York.

He is married and has five children. His eldest son was 21 this year and cast his first vote for his father after having made a number of speeches for him during the campaign.

During his two years out of the governor's mansion, Smith has been chairman of the board of the United States Trucking Corporation. He went into it, he said, because he likes the trucking business and as a boy used to hang around stables along the water front.

"I was offered big pay by banks and insurance companies," Smith said, when he picked the trucking business as his first job of the public payroll. "I didn't give these offers much consideration because they provided typically retired statesmen's jobs. They would require me to capitalize my position and my friendships. I couldn't do that."

### FIRST COURSE IN DENTAL HYGIENE

Chicago, Ill.—The first course in dental hygiene to be established at any middle western educational institution has just been created at Northwestern University school by Dean Arthur D. Black and his faculty. The course of study and training will cover a year and already ten young women have registered and are at work. There are required six hours of lectures and thirty hours of laboratory, clinic or public school work each week. Only girls who are high school graduates or who can furnish equally valid credits can matriculate and take the work. Preventive dentistry soon will be taught, quite generally among school children, according to the university.

### DISCONTINUATION OF TRAINS WILL BE PROBED

Chicago, Nov. 8.—Investigation of the discontinuance of trains in Southeastern Illinois by the Baltimore & Ohio railroad was begun by the Illinois commerce commission today. ## Will Entertain Brooklyn Aids

The Ladies' Aid Society of Brooklyn church will hold a birthday social this afternoon at the home of Mrs. J. H. Reid on West Greenwood avenue. This is the regular monthly social and Mrs. D. B. Gaskins will be the assistant hostess. A delightful informal program of music and readings will be given and a pleasant afternoon is promised for all the guests.

One of the pretty features of the afternoon will be the house decoration and color scheme which the hostess is planning to carry out. The coloring and all the ap-

pointments are to be Japanese and the hostesses are to wear the picturesque and colorful costumes of old Japan. The dainty refreshments will also be in keeping with this country of the Orient.

## Entertains for Out of Town Guest

Mrs. Chester Sharpe entertained at bridge Wednesday afternoon at her home on West College avenue, in honor of Miss Florence Humphreys who is visiting in the city as a guest of Mrs. P. J. ## LOCAL CLINIC AND COUNTY MEDIC MEET

To Be Held Under the Auspices of the Jacksonville Clinical Association—Interesting Program Outlined.

A day of clinical work, under the auspices of the Jacksonville Clinical association at Passavant hospital and the Norbury sanatorium, followed by a dinner at the Colonial Inn at which members of the Morgan County Medical society will be the guests of Dr. W. P. Duncan, and will hear an address by Dr. Charles Louis Mix of Chicago on Thyroid Intoxication, is the program of the local medical men today.

The treatment of gland cases is a subject of widespread interest among medical men within late years, and research along these lines has made great strides. This makes Dr. Mix's address of absorbing scientific interest, as well as of indirect general interest to the public.

Dr. Mix is not unacquainted with Jacksonville physicians. Dr. Duncan, Dr. F. A. Norris and Dr. C. E. Cole having studied under his supervision at Northwestern University Medical school. While here he is the guest of Dr. Duncan at his home on East State street, and at the Kiwanis club noon luncheon as well as at the banquet of the medicals at 5:45. He will also attend the sessions of the clinic.

An interesting program has been arranged for the clinic, which includes the following:

**Passavant Hospital**  
8 A. M.—12 M.  
Tonsilectomies—Drs. A. L. Adams, A. R. Gregory, and W. L. Frank.

At the close of the practice came a social hour and refreshments of sandwiches, pickles, salad, ice cream, cake and coffee.

The affair was planned in honor of Mr. Waters who is soon to leave Winchester.

## News Notes

Mrs. Belle Emyart, Mrs. Lou Day, Mr. and Mrs. Arthur Bush, left Wednesday for a motor trip to Danville, Bloomington and Indianapolis.

A number of the young people of the Presbyterian church gave Miss Mabel Sage a very pleasant surprise Wednesday evening in honor of her birthday. The young people went to the home of Miss Sage on Cherry street, taking a bountiful supply of good things to eat with them. Several hours were spent with games and music and the evening proved very pleasant for all present.

Miss Sage was presented with a very handsome electric toaster as a token of the esteem of her friends.

## What Is a Fine Watch?

Yes, that's true. But what causes one watch to be considered "reliable" under all circumstances? Another that is the same in appearance to be absolutely undependable.

A cheap watch necessarily is made of inferior materials, has none of the refinements of workmanship that make for accuracy, little time can be spent in its adjustments, and because of these facts its parts soon become worn and the watch not dependable—worthless.

A "fine watch" need not necessarily be expensive to be an accurate and reliable time-keeper. But, its principal parts—"the works", must be of material that is hard enough to resist wear; they must be accurate, and

Nine out of ten persons would reply at once, "Why, one that is reliable."

finely polished, the jeweled bearings must be exact. This work takes time and requires skilled and highly trained, highly paid workmen.

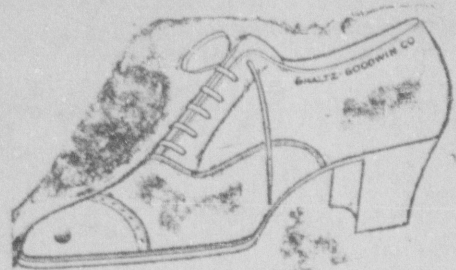

A "fine watch" costs more because of the material entering into its make up and the time required to produce it, but it's worth it because dependable. A person may pay a fabulous price for a watch and have no more faithful time-keeper than a "standard." He has satisfied a desire for a rich and jewel-studded outer case. The matter of a case is personal.

We shall be glad to talk watches with you, and to show you guaranteed, reliable time-keepers at moderate prices.

## County Officers Elected Tuesday

H. P. Samuel, County Judge

Harry Norris, Treasurer

Oyer T. Wright, Sheriff

H. H. Vasconcellos, Supt. of Schools

### OFFICIAL VOTE CHECK WILL BEGIN TODAY

Returns on Treasurership Will Be Canvassed First on Account of Close Race Between Norris and Weatherford — Unofficial Majorities on County Officers.

It will take the official canvass to settle the race between Harry Norris, Republican, and W. H. Weatherford, Democratic, candidates for the office of assessor and treasurer. An error discovered in returns from one Jacksonville precinct yesterday gave Mr. Weatherford a boost and the lead of Mr. Norris was reduced to ten votes.

The unofficial totals as shown in the office of County Clerk Riggs are Norris, 6,253; Weatherford, 6,243. The election board will begin work this morning and County Clerk Riggs has indicated the purpose of canvassing the returns on assessor and treasurer first in order that the status of this contest may be determined.

With so many scratched ballots it is not at all surprising that errors creep in and the canvass today is likely to reveal various errors, although not of sufficient amount to have any result unless it is as between Mr. Norris and Mr. Weatherford.

Many of the election officials worked on their returns until nearly 4 o'clock. This means that the officials were busy with figures for more than 20 hours, and with the strain of the long work it is an easy matter to make an error in figures.

The totals on county officers in the county clerk's office are as follows:

Judge—Samuel, 7,037; Staley, 5,332; Samuel's majority, 1,705.  
County Clerk—Riggs, 6,764; Boruff, 5,717; Riggs' majority, 1,047.  
Sheriff—Black, 6,109; Wright, 6,516; Wright's majority, 407.  
Superintendent of Schools—Colton, 5,919; Vasconcellos, 6,464; Vasconcellos' majority, 550.  
Commissioner—Dunlap, 6,378; Cleary, 5,505; Dunlap's majority, 873.

### ORLEANS CLUB HELD ANNUAL OPEN MEETING

Fine Dinner and Interesting Program Marked Annual Open Meeting of Orleans Woman's Country Club Last Night.

The annual open meeting of the Orleans Woman's country club was held Wednesday evening at the home of Mrs. J. T. Holmes. Each member was allowed to invite a guest and the company which assembled included about eighty.

An elaborate dinner was served at 6:30 o'clock, this feature of the occasion being greatly enjoyed by everyone. Afterward came the program, which included the following numbers:

Piano duet—Mrs. Fred Moeller, Mrs. C. H. Hallberg.  
Secretary's report—Mrs. A. A. Curry.  
Vocal solo—Miss Lois Harney of Jacksonville, with Miss Katherine Wilson as accompanist.  
Dialogue, "A Matrimonial Advertisement"—Annabel Drury, Julia Holmes, Mrs. James Dobyns, Hiram Drury, Clyde Richardson.  
Vocal solo—Miss Lois Harney.  
Among the guests present were Mr. and Mrs. M. A. Hulst, Mr. and Mrs. H. B. Kane, Mrs. Joseph Jackson, Misses Sallie and Jessie Holmes, Miss Ruth Waggoner, all of Jacksonville; Rev. and Mrs. J. M. Pease, Mr. and Mrs. Homer Wood, Pisgah.

**ATTENTION K. OF C.**

### CHURCH OF GOD SERVICES

A large attendance has marked the tent meetings of the Church of God in Christ, held on North West street across from the Wash station. Elder Nance has preached forceful sermons, and Elder Albert Pinkston of Providence, Ky., arrived Tuesday night to aid in preaching the gospel. The tabernacle of the church is now being built, and all are invited to come and to share in building a house for the Lord. Elder D. Wallace.

### WELFARE COMMITTEE MEETS

The Welfare Committee of the Jacksonville post office held its regular monthly meeting at four o'clock Wednesday afternoon. A letter from Thad Wisonan, former representative of the rural carriers on the committee, was the chief addition to the routine business of the committee.

### SECOND CHURCH NIGHT AT CENTRAL CHRISTIAN

About One Hundred Were Present at Last Evening's Meeting —Loyal Woman's Class Served Luncheon.

The second "Church Night" at Central Christian church last evening lived up to the success established by the first occasion of this kind held this month as part of the church program for the month of November.

Approximately 100 attended the meeting and luncheon in the church parlors. The ladies of the Loyal Women's Class, taught by Miss Eleanor Thompson, served the luncheon. The first feature of the evening's entertainment was a stereopticon lecture on "Missions in China" by Rev. M. L. Pontius.

The assembled church people then had the pleasure of hearing an address by Rev. Fred Hagin, who has just returned from Tokyo, where he has been engaged in mission work since 1909. Baptismal services followed Rev. Hagin's address.

The Central Christian church is conducting a series of these Church Nights this month in conformity with its regular yearly program, and is obtaining splendid results. Large attendance and great interest in the program make them well worth while.

It was announced at this meeting that the official date for the dedicatory pipe organ recital for the new organ being installed at the church will be held Thursday evening, November 23. Charles Heinroth organist of the Carnegie Institute at Pittsburgh, Pa., has been obtained for the occasion. The program will be announced later.

### FAMOUS FRENCH PIANIST COMING

Music lovers of the city and colleges are looking forward with unusual interest to the second number of the Woman's College Artist Series which will be given by the eminent French pianist, Maurice Dumesil. Mr. Dumesil is one of the most brilliant French pianists to come to America since the great world war. In his first general tour of America last year, he made such a tremendous success that in a large number of the places where he played, he was re-engaged for return recitals. This is true of the recital here next Monday night. Such a large proportion of the Artist Series patrons have asked for Dumesil return that he was brought here for this year's series. He is playing a very interesting program which will include the great B. Minor Sonata of Chopin's and other interesting numbers. The program in its entirety will be announced later in the week.

### GLACIER PARK CLOSES RECORD SEASON

The report of the Government Superintendent of Glacier National Park for the season just closed shows that 23,935 good American citizens enjoyed this great Rocky-mountainland vacation place this past summer.

### NEW BERLIN GARAGE BURNED WEDNESDAY

Garage of W. E. Gregory & Son Destroyed by Fire As Result of Oil Stove Explosion—Springfield Fire Department Called.

The garage and auto accessory shop conducted in New Berlin by W. E. Gregory and Son was totally destroyed by fire at about 3:00 o'clock Wednesday afternoon. The fire originated from the explosion of an oil stove and the flames soon gained such headway that it was impossible to save either the building or contents. A fire department from Springfield was called and a hard fight was made to keep the flames from spreading to nearby buildings. This it was possible to do, the loss being confined to the garage.

The building which housed the garage was owned by N. C. Twist of New Berlin. It was a substantial frame structure in a good state of repair. Some insurance was carried but probably not enough to cover the loss. Messrs. Gregory and Son carried \$2,000 insurance on the garage equipment and stock.

## STORES TO CLOSE ARMISTICE DAY

Hours Will Be From 1 to 4  
O'clock — Congressman Yates  
Will Deliver Address Sunday.

At a meeting of the Jacksonville merchants, held yesterday afternoon at the Chamber of Commerce headquarters, it was definitely decided that all stores joining in the movement will close from one o'clock until four o'clock in the afternoon on Saturday, Nov. 11th, Armistice Day. This action came after a great deal of discussion and followed a request made by the American Legion. It had been originally planned to close from noon until four o'clock, but according to the final plan it is thought that ample time will be given for every one to see the Aerial Circus and also make all their purchases for Sunday.

Congressman Richard Yates has been secured to make the address at the Memorial services to be held at the High School Auditorium Sunday afternoon at four o'clock. It was announced last evening. The committee in charge of this program, of which Dr. Thomas Smith is chairman, feels very fortunate in being able to secure Congressman Yates and his address will no doubt be the main feature of the program. Arnold J. Lovejoy of the Illinois College Conservatory of Music will lead the community singing of patriotic songs and Willard Wesner will be at the piano. There will be choruses from the High School and the colleges and pamphlets containing the patriotic songs will be distributed to the audience so that they may join in the singing. The members of the local American Legion post will attend the memorial services in a body.

Another feature of the Aerial Circus to be staged by the American Legion on Armistice Day, is a sham battle to be waged between the members of the Howitzer Company and the visiting aeroplanes. The American Legion has sent invitations to Dr. E. L. Hill,

managing officer at the Jacksonville State Hospital, stating that all the men in the Vocational Training Center will be admitted to the Aerial Circus free of charge. The pupils at the Illinois School for the Deaf will be admitted to the circus for half fare. The Legion has made a proposition to the Camp Fire Girls and Boy Scouts in the city to sell tickets in their different neighborhoods. The young people will sell the tickets on a percentage thus helping both the Legion and the Scout troops.

Word has been received from several lodges that they will be in the line of march for the Armistice Day parade. The Morgan County Good Roads Association, thru its president W. E. Sullivan is to have a decorated float in the parade and this makes a total of six floats already promised for the celebration. The state institutions are making elaborate preparations to have their representatives take part in the parade which will be held immediately following the minute silence at eleven o'clock on Saturday morning.

The committee of merchants which met yesterday afternoon to decide on the closing plans including representatives of the clothing, jewelry, furniture, and dry goods businesses and all these stores will join in closing from one until four o'clock in the afternoon. The Armistice Day committee will meet this afternoon at five o'clock to make the final plans for the celebration and to formulate the definite program of events.

## Eugenics For Dogs Urged By Terhune

ALBERT PAYSON TERHUNE AND SOME OF HIS COLLIES

By Josephine Van De Grift  
NEA Service Staff Writer.  
POMPTON LAKES, N. J., Nov. 4.—Eugenics for dogs. The proposal comes from Albert Payson Terhune, novelist and writer of famous dog stories.

Terhune would cut down the dog population. At his estate here, surrounded by a remarkable collection of collies, he told of his hopes for improvement of the canine race.

"There are far too many dogs in the world," he said, "if humans would employ eugenics with dogs (upon whom it could easily be enforced) instead of preaching eugenics to humans (upon whom it can never be enforced) there would be only enough dogs for man's workers and chums."

**Against Animal Acts.**  
"Under such a system there would be no stray dogs, no dog pounds, no indie mad-dog scares. And above all there would be no dogs forced into vaudeville acts." It is against this use of dogs in trained animal acts that Terhune's plan is chiefly directed.

"By all means let the dogs work for their living. Let them hunt for man, or herd for man, or guard for man, or draw man's carts. But why make them do asinine tricks—the fruit of pain—for the amusement of the audience?"

"A dog can be taught the simplest and most useful things without brutality. But the complicated tricks of a stage act cannot be taught in that way if perfect performance is to be assured."

"Animal acts are as stupid as they are cruel. A dog can be taught these acts thru cruelty. A cat cannot; the only way a cat can be trained is by starvation. "What is needed now is fewer dogs and better dogs—useful dogs treated humanely."

Terhune, whose dog stories made him famous, comes from a family of writers. He is a son of the late Marion Harland, with whom he collaborated on a novel, and is a brother of Virginia Terhune van De Water, the writer.

Mrs. Henry Fulton and sister, Mrs. Mary Lynn of St. Louis have gone to Mt. Sterling to see their mother, who is quite sick.

Louis Votmmer has been visiting his sister, Mrs. Ralph Bencoter, in Springfield.

Mrs. Mary Flynn who has been visiting relatives in Pleasant Plains, has returned to her home in Jacksonville.

The Ashland Croquet club went to Concord last week and gave the players there another drubbing. J. T. Wyatt and J. A. Way defeated the Concord team two out of three games played.

Mrs. William Stout has returned from Eureka, where she has been visiting her daughter, Mrs. H. E. Frederick.

Rev. D. O'Brien, pastor of St. Augustine's church here, and sister, who has been on a trip to Ireland for several months has returned home.

Mr. and Mrs. Paul Schaaf of Chandlerville have been here visiting the latter's parents, Mr. and Mrs. Harry Edwards.

Dr. W. S. Taylor is beautifying his home with a coat of paint.

Mrs. Minerva Way left Sunday for Springfield where she will make an extended visit with her daughter, Mrs. John Chittick.

Dr. Raines has purchased the William Gist property in the north part of town. We understand Mr. Gist will move his family to Springfield to make their future home.

Quite a number from the Centenary neighborhood attended service at the Methodist church here Sunday morning.

Dr. G. A. Lightie was in Chapman the week end visiting his son, Ralph, who is in college there.

Mrs. Guy Lowenstein and son Louis were among White Hall residents who called in Jacksonville on Wednesday.

ROUTT WILL PLAY FRANKLIN HIGH

Teams Meet in Return Game at Franklin — Routt Won Game Played Here.

Routt high school will journey to Franklin Saturday and engage the high school team of that place in a game. The teams met earlier in the season on the I. S. D. gridiron and Routt won the game.

Saturday Routt will work hard to repeat the dose while Franklin will work just as hard to even up the count. Routt has not played a game for two weeks and Coach Coenen has been drilling the squad hard in preparation for the game.

The local school has two more games on its schedule after the Franklin game. Ashland will be played there November 18 and Pleasant Hill Thanksgiving, November 25 is open. Both of the games will be played on foreign fields.

Coach Coenen has made some shifts in the team. Doyle the fleet footed Franklin boy has been taken from tackle and placed at halfback and is showing good form.

The following men will make the trip to Franklin: Mallen, Jackson, Fitzgerald, Kennedy, Schy, Early, Cleary, Murphy, Doyle, Trahey, Gebert. A large number of rooters will accompany the team.

TRICK PLAY BIG SCORER FOR YOST

Since Fielding Horace Yost has coached at Ann Arbor Michigan teams have scored more than 50 touchdowns from one play, a delayed double pass between the halfbacks while the fullback plunged into the line to camouflage the trick.

It was this play that gave Michigan her first touchdown against Ohio State, Harry Kipke running 26 yards around the Ohio State right end.

The old point-a-minute football machines of Yost used it and Al Herstein, one of the great backs of his day, scored seven touchdowns against Beloit in one game running from this play for each touchdown.

The play has been worked, of course, with variations, but the basic principle has never been changed.

Notes from the Big Ten Camps

**ILLINOIS.**  
Champaign, Ill., Nov. 8.—The University of Illinois football squad engaged in a stiff scrimmage today, preparatory to leaving tomorrow night for Chicago, where the men will entrain for Madison, Wis., to engage Wisconsin Saturday. Emil Schultz, was brought into the backfield in place of Woodward, and without Rime Clark at the pilot position the Illinois eleven will do battle with a crippled machine.

**NORTHWESTERN**  
Chicago, Nov. 8.—Northwestern University football men spent two hours in perfecting their defense on a field heavy with mud today. Coach Thistlethwaite expressed the belief that his defense is good enough to stop the Purdue team Saturday but the offense of the team on the field has not been up to the standard he thinks the team is capable of.

**MINNESOTA**  
Minneapolis, Nov. 8.—The Minnesota Gophers will leave for Iowa tomorrow night in the worst shape of the year, with three of the strongest regulars hopelessly lost for the Iowa game and several of those who will play suffering from painful sprains and bruises.

PRINCETON HAS RATHER WEAK LINE

Looks as if Coach Bill Roper at Princeton was rather hard put for forwards. The fact that he he shifted Shively, who played an end last year, to a rear guard seems to be proof of that fact.

Shively did some excellent work at end last season. Roper seems to think that he isn't fast enough to be used in the back field or at an end.

In the games played so far this season Shively hasn't looked very good as a guard. He may come through. However, it wouldn't be at all surprising if he was shifted back to his old position at end.

Shively is such a good man that some place must be found for him. Guard doesn't seem to be that place.

BENTLEY FOR ROUSH IN TRADE, RUMOR

New York.—Will Jack Bentley, the Babe Ruth of the minors, start the season with the New York Giants?

Rumor has it that Bentley was secured by McGraw to use in a trade that would bring Eddie Roush back to the Giants.

McGraw says that he intends to use Bentley as a pitcher. The New York club doesn't need a southpaw. Art Nehf is one of the best in the National league.

The Giants need a center fielder badly. Cincinnati could stand some pitching strength. First base also needs attention. While Jake Daubert played the best first base in the National league last season the aged Jack cannot be expected to go on forever.

Roush, no doubt, is dissatisfied at Cincinnati. He joined the club late in the season after holding out for months over a salary difference.

Perhaps his late joining of the club was merely a blind, the real purpose being to get him back into good standing so that he would be eligible to play in 1923 should a trade be made for him.

McGraw usually gets what he wants. The leader of the Giants wants Roush. The Bentley deal may be the means of bringing about the transfer.

Not a question of how cheap, but how good. Highland Heather Overcoats, sold by FRANK BYRNS Hat Store.

MULLER IS HELD BACK BY COACH

Berkeley, Cal.—Is "Buck" Mueller, star end of the University of California, and an All-American selection a few years back, through as a football player?

The failure of Mueller to do much this fall has given rise to such a rumor. Coach Andy Smith insists there isn't a word of truth in it.

A year ago Mueller injured his knee badly. He still favors it, but according to the coach he will be fit when called upon.

Coach Smith says that he is saving Mueller for the game with Stanford on November 25, and the big 1923 season game with some eastern eleven, which he feels sure California will win the right to play.

Mueller pulled a tendon about three weeks ago. This minor injury, plus the desire of Coach Smith to have him in the best of shape for the big games, accounts for the failure of the great end to break into the California lineup.

Ladies Fur Coats, Wraps and Chokers, late styles, reasonable prices. FRANK BYRNS Hat Store.

FRAZEE OFFERS JOB TO CARRIGAN

Boston, Mass.—Bill Carrigan, former leader of the Red Sox, can manage his old team again next year if he desires.

Harry Frazee, owner of the Sox, admits that Carrigan is the man he is after to handle the local American league team.

The sorry showing made by the Red Sox last season demands action. No one realizes it more than Frazee. He feels that a managerial change is absolutely necessary.

Carrigan a big favorite in Boston, is the one man that could restore lost prestige to the American league.

The proposition has been put up to Carrigan, and it is up to him to refuse or accept the leadership. It is understood the money question will not enter into the affair. Frazee will pay any reasonable figure Carrigan demands.

The owner of the Red Sox believes that his team with a bit of strength added here and there would be anything but a last chance proposition.

While fond of Hughey Duffy, Frazee believes the club needs a driver to get anywhere. Duffy is too agreeable with his athletes and they get away from him.

Bill Carrigan is the only manager who was ever able to make Ruth step the way he wanted him. When with Boston the Babe behaved himself.

RED'S SPIRIT MAKES HIT WITH MORAN

Boston, Mass.—Pat Morgan, manager of the Cincinnati Reds, is positive that in Louis Fonseca he has the leading rival for Rogers Hornsby, premier batter of the National league.

Recently while here looking over one of the big football games Moran found time to discuss baseball. He was very enthusiastic over the showing of his club in finishing in second place. Even better to Pat than the mere finishing second was the manner in which it was done, the gameness it required. The Reds had to win a double header on the last day from the Pirates to nose them out and that is just what they did.

Pat feels that with a bit of strength added here and there his club will be in shape to make the going very interesting for the Giants next year.

"Fonseca was a big help to me last season," said Moran, "and he is bound to be a much improved ball player next season. He is a natural hitter and will push Hornsby hard for his honors. Fonseca doesn't hit them as far

Four Stars On The Champion Iowa Team

V. C. SCHUTTLEWORTH.

Coach Howard Jones of Iowa has the faculty of developing crack backfields.

When he lost his great quarterback, Aubrey Devine, it was felt that he had suffered a serious loss, because field generals like Devine only come now and then.

Yet Jones had an understudy in Leland Parkin, who bids fair to achieve much of the greatness that fell to Devine.

While much of the glory in the Yale game was passed to Locks and Parkin by the football experts, still neither is more valuable to the success of the team than V. C. Schuttleworth.

GORDON LOCKE.

One of the heroes of the Yale-Iowa game was Captain Gordon Locke of the victorious Iowa, eleven.

Last year Locke was the almost unanimous choice for fullback on the All-Conference and All-Western elevens.

His game so far this year is in keeping with all the nice things the football experts have said about him.

Coach Howard Jones of Iowa regards Locke as the equal of any fullback he has ever seen or played against. That is quite a compliment from so famous a coach and player.

as Hornsby, being content with singles.

"A good infielder means everything. My infield was a bit inexperienced last year, but should be much improved next season. Fonseca, Caveney and Pinelli sure have made good."

L. A. Reid, Pres.

Child Preacher

Six-year-old Newton Hastings of Salisbury, Md., for the past six months has been speaking before small Maryland congregations and recently conducted the services in St. Paul's Methodist Church, Baltimore. He has had no preparation or coaching for ecclesiastical pursuits but conducts in the manner of an experienced minister.

JOHN HELDT.

Like the catcher in baseball, the center in football seldom receives the credit due him.

The center of course has little or no chance to carry the ball, and the sensational features of the game invariably revolves around the man carrying the ball.

A good center is as essential to football as is the catcher to the national pastime.

The center in a way is the foundation of the line. In addition the success of the backfield men to a great extent hinges on the accuracy of his passing.

Coach Jones of Iowa considers no player of greater worth to Iowa than Center John Heldt of Lyons, Iowa.

O. P. MINNICK.

In football the best back in the world is little more than a mummy if his line fails to hold.

The best backs to get anywhere must be able to get away to a good start.

If the forwards are unable to stop the charging of the opposition, this is impossible.

While most of the glory of the Iowa victory was passed to Locke and Parkin, the Iowa line is deserving much praise.

In this connection the work of no player in the line stood out more prominently than O. P. Minnick, who hails from Des Moines.

Light-Six Roadster  
**\$975**  
**Studebaker**  
It is not necessary to buy a high-priced roadster to get maximum comfort. Comfort is a matter of correct design. Comfort is built into the Studebaker Light-Six.  
The seat is placed at just the right angle for relaxation and is provided with big, fat cushions, upholstered in genuine leather. The semi-elliptic springs are long, strong and resilient.  
There is ample luggage space under the rear deck—plenty of room for everything you may want to carry.  
Vibration, which is so destructive to motor cars, is practically eliminated by the perfect balance of the motor. This is largely due to the fact that the crankshaft and connecting rods are machined on all surfaces, an exclusive Studebaker practice for cars at anywhere near the Light-Six price.  
Economy of operation is increased by valves inclined at a 20-degree angle and by the internal hot spot.  
This handsome roadster is a quality car throughout. It is sold at \$975 only because of complete manufacture, in large volume, in one of the most modern and complete motor car plants in the world.  
Middlemen's profits are thus eliminated, and the savings are passed on to you.  
The Light-Six Roadster well upholds Studebaker's 70-year reputation for dependability and dollar-for-dollar value.  
Attractive cowl lights. Thief-proof transmission lock. Cowl ventilator. Storm curtains opening with the doors. Large plate-glass window in rear curtain. Inside and outside door handles. Upholstered in genuine leather. Ample space under the rear deck for luggage.

## Market Report

By The  
Associated  
Press

## WHEAT AVERAGED LOWER IN PRICE

**CHICAGO, Nov. 8.**—Wheat  
averaged lower in price today chief-  
ly as a result of a decline at Liver-  
pool and because of reports that  
grain purchases made for Italy  
and Germany had been cancelled.  
The wheat market closed in ad-  
vance with December \$1.15½ to  
\$1.15½, and May \$1.15 to \$1.15.  
Corn gained 2½c advance and  
oats finished 1c higher and pro-  
visions at a rise of 7c to 12c.  
Bears in the wheat market had  
an advantage, an early setback  
owing to lower Liverpool quotat-  
ions, but this advance was partly  
offset later by strength in the  
New York cotton market and in  
securities.

Then a bulge in the price of  
corn here had a temporary stimu-  
lating effect on wheat values.

The gains in wheat were more  
than wiped out during the final  
hour when gossip became current  
that Germany had cancelled cur-  
rent wheat purchases.

With France and marks at the  
lowest figures on record wheat  
displays a host of powers in the  
at the last. Nevertheless a fair  
amount of export business was  
announced as having been put  
thru at the seaboard, and export  
sales were also noted as having  
been made at Omaha and here.  
A decrease of nearly 6,000,000  
bushels in the world's available  
supply was practically ignored.

Strength in the corn market  
and in oats was due largely to expec-  
tation of a bullish government rep-  
ort as to corn.

New high price records for the  
season were touched. As a mat-  
ter of fact government figures on  
the yield of corn were nearly 100-  
000,000 bushels in excess of pri-  
vate estimates.

Provisions were dull but finally  
climbed a little with hogs.

YANKS and LEGIONAIRES

Forceful Facts Concerning the Interests of Former Soldiers, Sailors and Marines.

There are 122 garrisoned forts in the United States. The United States spent \$595,000,781 for aircraft during the World War. November 11, under the name of Victory day, has been made a legal holiday in France. Massachusetts has 280 American Legion Posts of which number 100 are located in Boston. The National Organization of Disabled Soldiers in Italy comprises nearly 400,000 members. Forty per cent of the members of the American Legion are in towns under 2500 inhabitants. No fewer than 10,000 American Indians served in the World War. Of these, 200 were killed or died of disease.

"Comrades in Service" was the first title suggested when the American Legion was first organized in France, March 18, 1919.

According to an announcement from Washington, the American Army of Occupation on the Rhine is to be withdrawn soon.

Sergeant William Rapar of Fort Leavenworth, who weighs 380 pounds, is known as the heaviest man in the United States army.

German ex-royalties are applying for pensions according to their military ranks. The former Crown Prince of Bavaria claims a general's pension.

Major General Henry T. Allen, commanding the American forces on the Rhine, also has charge of the French occupational troops in Germany numbering 24 officers and 5600 men.

A monument is being erected at Chopp, France, to Missouri's war dead of the Thirty-fifth and Eighty-ninth American divisions. Marshal Joffre is to preside at the dedication of the memorial.

The Secretary of War and General Pershing are in favor of an army of 150,000 men, with 13,000 officers and 12,000 reserve officers, instead of an army of 125,000 men and 12,000 officers.

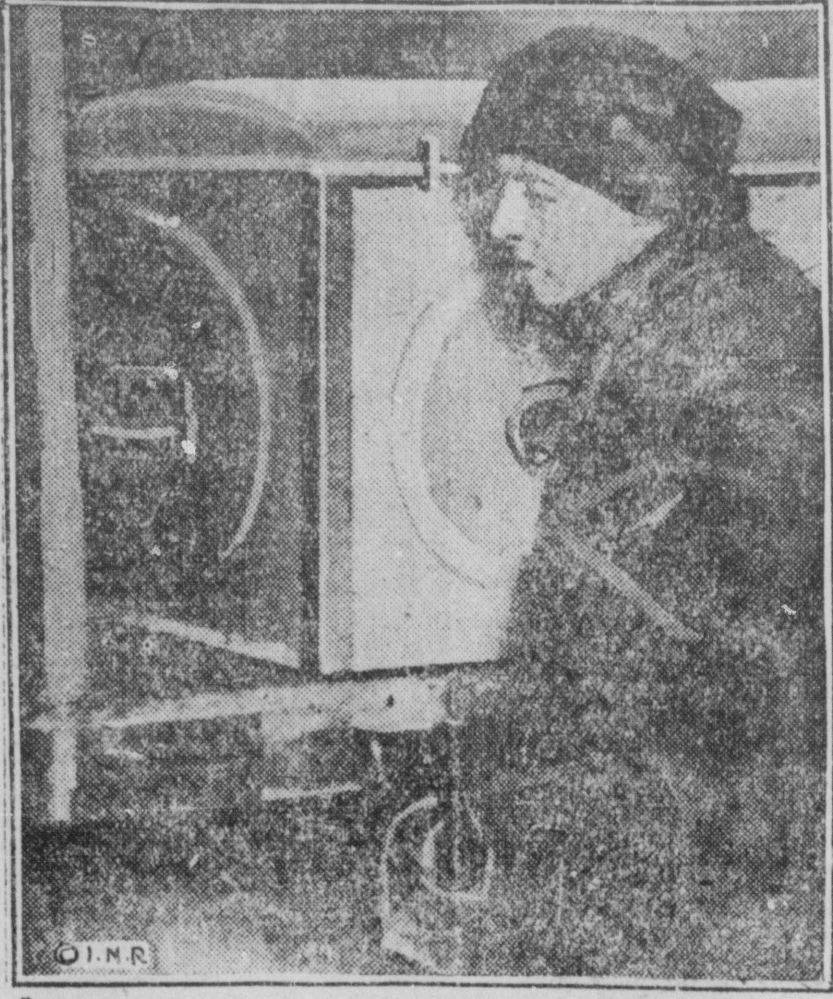

The Society of American Military Engineers with headquarters in Washington, D. C., has 3800 members. The organization is represented by 25 local Posts at various points thruout the United States.

The Boulevard of the Allies, costing \$2,200,000, was recently dedicated in Pittsburgh, Pa., in memory of the city's sons and daughters who served in the World War. The highway covers a distance of two miles.

No fewer than 200 former overseas women comprise the membership of the Women's Overseas Service League, now represented in 30 cities. These girls served in France as canteen workers, hospital hut workers, entertainers and librarians.

The Medal of Honor, which is awarded by Congress for unusual bravery, is a five-pointed star bearing a medallion of Minerva and the inscription, "United

Faithful to the End

Mrs. Margaret Christler, widow of the slain "Bishop of All Outdoors," accompanied the body from Havre, Mont., where the Episcopal rector was shot and killed by Mrs. Margaret Christler. The widow is shown here beside the casket as it was being taken to Waterloo, N. Y., for

States of America," with a laurel wreath surmounted by the word "Valor." The medal dates from the days of the Civil War and is one of the most highly prized military decorations.

A bill is to be introduced at the next session of the New York State Legislature to award World War service medals to officers of draft boards. There is a feeling in the "military establishment," however, that the awarding of war decorations has gone about as far as possible without, thru making such dispositions so general, lessening their significance.

Brigadier General William Mitchell, assistant chief of the United States army air service, recently set a new official world's speed record, when he flew over a one-kilometer course at Mount Clemens, Mich., at an average speed of 224.05 miles an hour in four heats. The former world's record was made in France last year by Sadi Lecoq who piloted his machine at an average speed of 205 miles an hour.

Col. L. H. Ruggles of the United States Ordnance Department, advocates drafting all labor from bankers to laborer in war times. He says, "If we can draft men's lives, we certainly can draft their business during an emergency. Each man would be required to keep at the work assigned to him, as a soldier must stay on his job. There would be no striking for higher wages, no absence without leave and no quitting one job to go around the block and hold up another agency for higher wages."

FARM BUREAU NOTES

**Interesting Soil Tests** — The writer recently made fifteen tests of the soil on the farm of Percy Sooy, east of Murrayville, using the Comber test for soil acidity. This test clearly indicated the difference between the soil that had been cropped a long while and that which had been broken out of blue grass more recently. The field that had been tilled the longest was decidedly more acid than that which had been put under cultivation later. A strip of practically virgin soil along the hedge did not show much acidity. The lime was still in that soil. Across the fence on the mound farm of A. M. Masters tests were made where sweet clover was growing vigorously. This soil also showed the presence of lime which had been added some years before. The tests were made on the land operated by Mr. Sooy in order to determine whether the soil needed any treatment in order to grow alfalfa.

**School for Shipping Association Managers**—The live stock marketing department of the I. A. A. has arranged for a school of this character at the Statler hotel, St. Louis, on November 9. Notices of this meeting have been sent from the Farm Bureau office to all of the managers in Morgan county. The meeting will be open to anyone interested in association work.

**Meeting of Dairymen Association**—Howard Stevensin, secretary of the Dairymen association has called a meeting at the farm bureau office at 7:30 p. m., Wednesday evening, November 8. Dr. Brockaw the county health physician will tell this gathering why all milk sold in Jacksonville should be pasteurized. The meeting is open to any interested party.
